ACCELERATE YOUR BUSINESS

IN THE SSHED

The SSHED provides business advice and support to help your business grow faster. Our professional office space can grow with you as your business grows. The SSHED is here to help local entrepreneurs build better and more profitable businesses.

TAKE THE SSHEDX OPTION

Don't need office space but do need help to grow? Then join our SSHEDx program. With SSHEDx you can be part of our business acceleration program without taking actual office space.

If you're running your own business, you can't be expected to know it all. And that's where our SSHEDx program steps in. We give you a dedicated business advisor to help map out your business future.

Through the SSHEDx program, we're helping all types of businesses grow - retailers, IT, builders, hairdressers, manufacturers, home-based businesses and many more.
